Registration Form

Dominican-Haitian issues have been a priority for the United Nations Association of the Dominican Republic (UNA-DR) and the Fundación Global Democracia y Desarrollo / Global Foundation for Democracy and Development (FUNGLODE/GFDD) since our genesis, and each new year continue to occupy a special place in our agenda. UNA-DR, FUNGLODE/GFDD, Haitian Action for the United Nations (AHNU) and its partners, as part of our institutional Commitment to Action with the Clinton Global Initiative University (CGI U), are sponsoring the Youth of the Americas Forum for Haiti (YAFH) and its subsequent Community Service Week (CSW) in Port-au-Prince.

The Forum will be held within the framework of the Second Haitian Model United Nations Conference (SIMHANU 2009) on August 13 – 15, 2009 at the Karibe Convention Center in Port-au-Prince, Haiti. The CSW's activities, scheduled on August 16 – 21, 2009 in different locations of the capital city, will promote partnerships to cultivate the next generation of action in Haiti.

This initiative will bring together more than 70 young leaders from the Western Hemisphere who will join their Haitian peers to address multiple challenges within the poorest country in our region.
